### Property, Auto, and Liability Member Benefits

**NEW! Savings opportunity for qualifying members effective April 1, 2014**

Members of Cascade Employers Association who participate in educational programs offered by the association may be eligible for additional credit\* on property and casualty premiums. Contact your independent insurance agent to learn more.

*\*Credit is subject to individual account underwriting review and approval*

### Workers Compensation Group Program

Liberty Mutual Insurance and Cascade Employers Association (CEA) have partnered to offer members a comprehensive workers compensation group program that is committed to providing maximum benefits for group members to assist with workplace safety and controlling losses.

This group program is composed of employers like you – employers who are strongly committed to the health and welfare of their employees and workplaces. Members benefit from:

- A six percent upfront group discount. This is an exclusive, members-only Oregon Group Supplemental Experience Rating Modification factor for the 10/1/13 to 10/1/14 plan year.
- A five percent premium credit to workers compensation policyholders who maintain a qualifying alcohol and drug free workplace program during the policy period.

### Services

- Expertise in risk control, claims management, and return to work specialists who have access to specialized resources to help you maintain a safe workplace and achieve successful resolution with your workers compensation claims.
- Access to our online safety site that provides customers with high-impact safety training materials – including safety meeting solutions, safety talks, accident reports, safety posters, safety slogans and much more.

### About Cascade Employers Association
